

SPRĀ D

READY-TO-USE DEODORANT

Use BIG D® hand-powered **SPRA D** whenever and wherever fast, on-the-spot deodorizing is needed. The famous oxidizing formula removes odors regardless of their source. When compared with an aerosol you will find it lasts far longer and contains no propellant. One 4 oz. bottle contains the equivalent deodorant power of a 20 oz. can of aerosol.

SPRAD can be used on surfaces such as draperies, upholstery, clothing, etc. It will not spot or stain fabrics. Best of all, **SPRA D** is a true BIG D® deodorant that kills odors – all odors – regardless of their source.

This product is VOC compliant in California.

All Big D® products are free of surfactants known as APEs (alkylphenol ethoxylates) and NPEs (nonylphenol ethoxylates), which do not biodegrade quickly and are toxic to aquatic life.
