

NON-PARA RESTROOM PRODUCTS

BIG D® offers a complete line of deodorizing products for urinals and toilet bowls that contain no paradichlorobenzene.

DEODORANT URINAL SCREENS are flat screens impregnated with long-lasting BIG D® deodorant. They are flexible and will fit any urinal contour. Available in many colors and fragrances, they have a non-slip finish and will prevent drain clogging.

NON-PARA URINAL TOSS BLOCKS are completely water soluble and will not clog drains. They last up to 1,000 flushes (30 days of normal operation). Blocks are acid-free, water-soluble and 100% biodegradable.
