RESTROOM PRODUCTS

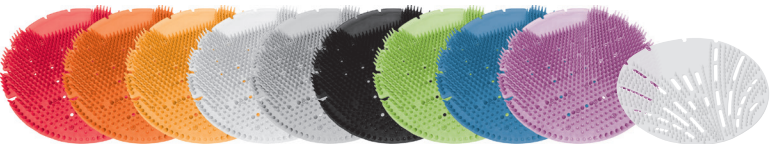

PREMIER RESTROOM PRODUCTS are made from a specially engineered copolymer that is impregnated with a powerful organic odor-counteracting compound, available in seven **PREMIER SCENTS** that match and compliment each other.

 **PREMIER RESTROOM PRODUCTS** are 100% recyclable.

THE DIAMOND 3D URINAL SCREEN replaces THE PEARL 3D URINAL SCREEN in the BIG D® Premier Restroom Products line. It is a superior product with 50% more surface area. Its unique design can be installed on either side, ensuring correct placement every time. It has a more open design and increased spike height, eliminating 99% of urine splash, which saves custodial cleaning time and patrons' pant splatters.

THE DIAMOND 3D URINAL SCREEN is VOC compliant in all 50 states. It features Diamond & Spike Technology, with spikes of three varying lengths that help prevent splash back and cross contamination of urine to other areas outside the restroom. **THE DIAMOND 3D** is flexible for a proper fit to any urinal contour. The translucent design allows total viewing of the drain to ensure it remains free flowing as it collects debris before the drain is clogged. **THE DIAMOND 3D** is also safe for use in waterless urinals. The fragrance will last 30 to 45 days.

THE OPAL URINAL SCREEN is the top of the BIG D® Premier Restroom Products line, with the most fragrance and the longest anti-splash spikes. It is VOC compliant in all 50 states. It features a 1-sided anti-splash texture which helps prevent splash back and cross contamination of urine to other areas outside the restroom. **THE OPAL** is flexible for a proper fit to any urinal contour. The translucent design allows total viewing of the drain to ensure it remains free flowing as it collects debris before the drain is clogged. **THE OPAL** is also safe for use in waterless urinals. The fragrance will last 45 to 60 days.

THE MINI PEARL 3D URINAL SCREEN is reduced in size for smaller urinals found in places such as cruise ships, porta-potties, tour buses, or childcare facilities. Use **THE MINI PEARL** whenever another urinal screen is too large or too strong — in small restrooms and small spaces.
