

# DRY DEODORANTS

Use BIG D® **DEODORANT POWDER** anywhere that needs deodorizing but must remain dry. Leave on for 5 to 10 minutes and then vacuum or brush away. It has strong deodorizing properties that work well in neutralizing odors in carpets and dumpsters.

BIG D® **GRANULAR DEODORANT** destroys odors and absorbs moisture in one operation. Designed to be sprinkled on and vacuumed or swept away, it is excellent for garbage cans, dumpsters, pet shops and kennels.

BIG D® **D-VOUR** devours liquids such as spilled bodily fluids as it eliminates odor. **D-VOUR** is a polymer which, when sprinkled lightly on liquid, transforms it in seconds to a tidy, congealed semi-solid, easy to pick up and dispose of. **D-VOUR** will absorb 100 times its weight.

Use **DEODORANT POWDER** around paper goods, books, on wood, carpet and some textiles. Sprinkle on, leave for a few minutes, then vacuum or brush away along with any unpleasant odor. May also be used in trash dumpsters.

The dried clay which forms the base of **GRANULAR DEODORANT** absorbs moisture rapidly, and the BIG D® deodorant in it destroys all odors on contact. Designed to be used on areas affected by vomit, feces, wet garbage, oils, etc. **GRANULAR DEODORANT** may be mixed with sand in smoking stands, or used as cat litter.

**D-VOUR** changes smelly liquids into an odorless semi-solid mass for fast, easy clean-up. Ideal for spills in grocery stores, restaurants, health care facilities or schools. Use **D-VOUR** to set free-flowing liquids (except for oils) and destroy odors fast.

#### DEODORANT POWDER

| PRODUCT NO. | FRAGRANCE |
|-------------|-----------|
