

DRIP FLUID CONCENTRATE

for DRIP DEODORANT DISPENSERS

BIG D® DRIP DEODORANT SYSTEM

for urinals and toilet bowls attacks odors at their source, neutralizing them before they become airborne. The efficient and economical **DRIP DEODORANT DISPENSER** releases the biodegradable **DRIP FLUID CONCENTRATE** which continually eliminates odors.

This system is completely automatic and easy to use. It will provide around the clock deodorization of the restroom.

BIG D® **DRIP FLUID CONCENTRATE** is the concentrated liquid deodorant specially formulated to work in the **DRIP DEODORANT DISPENSER**. It neutralizes all urine/fecal odors, and prevents build-up of odor-causing bacteria in plumbing.

All Big D® products are free of surfactants known as APes (alkylphenol ethoxylates) and NPEs (nonylphenol ethoxylates), which do not biodegrade quickly and are toxic to aquatic life.

DRIP FLUID CONCENTRATE

PRODUCT NO.	FRAGRANCE
159100	Mountain Air
