

OXY POWER+D

**MULTI-PURPOSE HYDROGEN PEROXIDE
CLEANER/SPOTTER/DEODORANT**

NEW!

OXY POWER+D is a truly remarkable ready-to-use cleaner fortified with natural citrus cleaning power and Hydrogen Peroxide. This stable combination along with a specialized surfactant system quickly attacks the most stubborn soils and stains on virtually all surfaces not harmed by water alone. A perfect choice for cleaning ceramic tile countertops and shower walls. Helps to bring back the original new grout appearance with color safe oxygen bleaching. **OXY POWER+D** also makes a great choice for general carpet spotting. Use it as a laundry pre-spotter on soiled clothes before laundering. Leaves no oily residue behind, and rinses freely with water. Environmentally preferable. Contains no hazardous ingredients, non-corrosive, no skin or air borne sensitizer, and no fragrance added.

DIRECTIONS

GENERAL SURFACE SPOT CLEANING & DEGREASING

Spray on area to be cleaned. Let stand a couple of minutes to penetrate the soil. If need be, use a scrub brush or pad for excessively soiled surfaces. Wipe clean with a damp rag, towel or sponge.

LAUNDRY SPOTTER

Sort clothes according to soil load. Before washing, spray **OXY POWER+D** directly on the stained or soiled garment. Let stand approximately 3 to 5 minutes before throwing it into the washer. Wash as usual.

CARPET & FABRIC SPOTTING

Note: Pretest first for color fastness.

Removes the most stubborn stains; fruit juices, coffee, wine, soda, grease, dirt, etc. Spray on soiled area. Let stand for about a minute or so. Blot with a clean white towel, turning it over after each blot. Do not over saturate the spot. Repeat if necessary.

OXY POWER+D

PRODUCT NO. 055000

QUARTS packed 12 per shipping case - Weight 28 lbs.
